We are taking a very gentle approach to the Altar Servers Roster as we are aware that whānau have very busy schedules. As you can see there are some Sundays where nobody is rostered on. This is because we are yet to recruit more Altar Servers to cover all of the weekends. Please feel free to have your child fill in on these Sundays if they wish to. If you are unable to serve on your rostered Sunday that is absolutely fine just let me know so that I can tell the server who is rostered on with your child.

Thank you for supporting your tamariki in this Ministry.
